## CONTEST

---

**The Boise Affiliate of Susan G. Komen for the Cure is hosting a T-shirt design contest to kick off the Kids for the Cure program in 2012's Boise Race for the Cure on May 12, 2012. The winner's artwork will be used as the signature design on 1,000 T-shirts.**

Kids for the Cure was developed in response to the realization that children are affected by breast cancer. They may have mothers, aunts, grandmothers, teachers and others in their lives that are going through the disease. This T-shirt contest can be a way they can support the cause and become involved in an important organization.
